THE FLEURISH LETTER

SEPTEMBER 11, 2024 · ISSUE NO. 5

Alcohol and your medication

Archive edition. Lightly revised from the original issue to meet current content standards.

This is a common concern for patients especially when they are on vacation or a celebration. So while on vacation, use discretion with alcoholic beverages.

Alcohol intake is discouraged while using your medication.

Fleurish uses compounded medication, not a brand-name product, prescribed only after an evaluation by Dr. Leticia Polanco. Individual results vary.

1. CDC

CDC recommends a limit of 1 drink/day for women and 2 drinks/day for men.
